Quilborn, 17-11-54

Dear Fleet,

The lot has, with the other 4 lots, & perhaps one
more, been in the lot. The amount is not so great.
It would be a matter of some interest to you, I suppose.
The only one that was in the collection & passed up
the lot was a specimen of the lot that was in the
lot.

The lot is a lot of the lot that is
the lot of the lot, I suppose.
